

The image consists of a grid of 8 columns and 8 rows of binary code patterns. Each pattern is represented by a sequence of 8 vertical bars, where each bar is either black or white. The patterns are arranged in a repeating sequence across the columns and rows. The first few rows show the following sequences:

- Row 1: Black, White, Black, White, Black, White, Black, White
- Row 2: White, Black, White, Black, White, Black, White, Black
- Row 3: Black, White, Black, White, Black, White, Black, White
- Row 4: White, Black, White, Black, White, Black, White, Black
- Row 5: Black, White, Black, White, Black, White, Black, White
- Row 6: White, Black, White, Black, White, Black, White, Black
- Row 7: Black, White, Black, White, Black, White, Black, White
- Row 8: White, Black, White, Black, White, Black, White, Black

Subsequent rows follow this same repeating pattern.
