When we have a holiday, we go to a place at the seaside and borrow a boat from one of our friends. Then we sail on the sea and catch fish all day. Sometimes we sail on a small lake near the sea. We are very careful on this lake because there are a lot of sharp rocks there. There aren't many fish in the lake. The fish aren't very big, but they taste very good. When the weather is fine, we go to the land at lunch time and make a fire with the pieces of dry wood and cook the fish and eat them.</p> <p>55.
